

Our connection to this place is based on land, sea and sky. We have created a focussed list of wine producers who are an extension of that belief. These wines are crafted out of respect to nature and the communities that surround them. Please enjoy the moments that you share with them.

B.Francois Blanc de Blancs Brut NV *Chenin Blanc* Loire Valley, France 14 55

There is always a time and a place for a glass of refreshing fizz where you don't have to think too much about it! This wine is the perfect, no fuss bubbles that holds bright green apple flavours and a saline lick that keeps the palate longing for another glass.

CHAMPAGNE

Champagne is one of our many weaknesses and therefore we like to change the offering regularly. Please enquire with our team for the current favourite.

W H I T E

Fresh Bright White 2019 *Pinot Grigio* Mornington Peninsula, VIC 18 58

Continental Platter is a wine voyage, set to travel Australia to create smashing wines from premium regions and support quality-minded, sustainable growers. This is the kind of pinot grigio one would be happy to come home to every day of the week; fun, easy and full of charm.

Pieropan Soave 2020 *Garganega* Veneto, Italy 90

The Pieropan family have long been considered a benchmark producer in the Soave region. Always with an environmental focus, their vineyards are managed organically and the fourth generation is now looking after the winemaking. This garganega has inviting notes of marzipan, jasmine blossoms and zesty citrus.

Gustave Laurentz 'Les Ami Crustaces' 2020 *Pinot Blanc* Alsace, France 84

The Alsace region is situated on the border of France and Germany, one can find unique varieties and expressions of cool climate wines grown on an incredible landscape of cascading hills and complex soil types. Pinot blanc is known for its mineral drive and purity.

Smallfry 2021 *Riesling (dry)* Eden Valley, SA 72
(natural/biodynamic)

Suzi and Wayne are viticulturalists turned vigneron who have taken the opportunity to turn their beautiful, biodynamically farmed fruit into unique wines of their own. Their riesling was planted in the late 90's and has been incredibly cared for since. This wine is a lime-zesty and dry example of profound Australian riesling.

Howard Park 2019 *Chardonnay* Margaret River, WA 95

Known for producing quality expressions of the beloved chardonnay grape, Howard Park carefully selects this fruit from the southern reaches of Margaret River. The area provides the perfect environment for a long growing season, allowing for a wine of richness and balance.

R O S É

Chateau Castel des Maures 2020 *Grenache Blend* Provence, France 88

In a tiny Mediterranean town along the edge of the Maures forest is Chateau Castel des Maures. The domain produces an exceptional rosé from a traditional Provence blend of grenache, cinsault and syrah. It is coastal summer trapped in a glass, reminiscent of exactly where you sit at this very moment.

R E D

Mac Forbes 'Yarra Junction' 2018 *Pinot Noir* Yarra Valley, VIC 95

Not only is he one of Australia's most loved wine makers, he is deeply passionate about the vineyards he works with across the Yarra Valley, making wines sensitive to their soil and site. The 'Yarra Junction' pinot noir is lightly perfumed and finely woven wine with an intense brooding flavour. Open first and enjoy a glass of bubbles while you wait for this wine to truly dance.

Toscolo Chianti DOCG 2017 *Sangiovese* Tuscany, Italy 19 68

Tuscany is a region that has a warmth that exists in the long summer days, terracotta topped roofs and deliciously concentrated wine. This Chianti is a labour of love from Neil and Maria Empson - sangiovese of fine structure, savoury earthiness and rich red fruits.

Despite Beaujolais being known for young, easy-going styles of gamay, each of the ten Cru Villages provide wines of individuality and complexity. This wine is grown in Moulin-a-Vent and is beautifully fragrant and brooding expression of gamay where silky texture is king!

Hochkirch, the former name of the town given by German Settlers in the area which sits about three and a half hours drive out of Melbourne. Known today as Tarrington, the area is ideal for cool climate farming with fresh breezes, rolling hills and loamy soil structure. This Cab Sav is such an elegant, gently herbaceous expression, with fine tannin and an opulent depth of fruit.
